

2019 年第二期 iEARN 線上初階課程

學員回饋

很感謝可以加入這次五週課程的機會。過去一直對於國際交流相關課程及活動很有興趣，這一次在自己一邊摸索實作之外，加上這五週的課程，讓我對 iEARN 專案計畫可運作了解了不少。未來將更有信心在自己的課程中融入 iEARN 專案，讓學生能在日常生活中就能與世界接軌。

終於開始對 iEARN 專案課程有更具體的瞭解，也在逐步學習中增加自己跨越趕進度模式的勇氣；我更發現只要有了開端，一切就變得越來越簡單；而學生們的適應與應變能力也隨之而獲得提升；同時，學生們也更有能力和動機處理英語文的學習～

另外，我在 iEARN 中不僅印證「一個人走得快；一群人走得遠」這句話的意意，也獲得更多和「教與學」相關概念的開闊視野！感謝我

的好伙伴素慧老師帶領我接觸 iEARAN；也感謝 iEARN 的前輩先進們不吝提供分享與指導!

期許未來能和各位伙伴們一起走得更遠、更開闊！

經過五週的課程內容，對於 iEARN 專案的操作方式總算有較為具體的概念。但我想，最大的收穫是過程中老師們的回應及經驗分享，以及觀摩老師們設計的專案，得以跳脫原來"英文教學"的框架，看到課程的設計如何融合不同的議題，讓學生動起來，進而自主探究學習。透過線上研習課程的導引，得以在工作及時間的雙重壓力下實際體驗專案計畫的產出。很幸運在這次的線上研習遇到了執行專案經驗豐富的前輩們，以及對於教學充滿熱忱的老師們，希望未來有機會可以繼續聯絡!

Thanks to iEARN Taiwan provides iEARN online course for Taiwanese local teachers, it is a good tool not only for teachers but also for students to get connected through more than 100 projects across the world.

Through this online course, teachers can meet other teachers across the country. We can share ideas and process of doing projects. Master iEARN teachers are there to help us, guide us, tell us how to start and give us suggestions if there's anyone needs it.

More than that, iEARN Taiwan online course helps local teachers like me to develop post thought questions, encourage me to generate e-learning blogs, use mind maps to create lessons, I can reflect myself, I can share experiences and I can incorporate activities into my lessons and connecting to the real world learning. Also, They are challenge teachers to have deeper critical thinking.

Through iEARN Online course link teachers together do brain storming, sharing, guiding, reading and cooperate with others.

iEARN master teachers will be introduced to some of the iEARN website tools, journals, articles, videos can help me to reflect on

online learning. As a teacher, I will then move on to focus on sharing and learning with others. Producing iEARN lesson planning and sharing video reflections, collaborative platforms or social media I can enrich the learning experience through iEARN online Course. Lastly, thanks to professor Chien-Han Chen from Tamkang University for giving me this great opportunity to be online and learn from others in this short 5 weeks.
